POST LEGIONNAIRES

The E-Board voted to knock down part of the wall between the main dining room and meeting room. The minor construction should not cause too much inconvenience and will be done between big events. The wall wasn't there when the Post bought the building and having it affects our utility rates because the a/c in that room is too big and the one over the Canteen and Dining Room is too small. Both a/cs were meant to work together to cool the whole building. It should help in other ways too.

There are lots of exciting things to do at your Post in November. All You Can Eat Waffles by Mark and his Crew, the Annual Feather Party, and Thanksgiving Dinner at the Post. There will also be Fish Fries and the Scholarship Chicken Dinner. Check your calendar for details.

The E-Board and our staff work hard to make the Post a fun and safe place for veterans to gather. You can come here even if you don't drink. A lot of our members drink soda or water and come to socialize. It's a good way to get out of the house.

Sincerely,

Terrell D Lewis, Post Commander.
