

LEGIONNAIRES:

Post Elections are this month, you have time to consider if maybe you would like to represent your other members in the governance of your Post. Many of those on the current E-Board have been serving for years and would welcome others stepping up to give them a well-deserved rest.

Please look over the Post calendar and support your Post whenever possible. There are several meals to choose from. I really appreciate the way the American Legion Auxiliary and the Sons of the American Legion have stepped up to support their Post by planning activities of their own to appeal to a wide range of our American Legion Family. If you have an idea for an event to appeal to our Family, let us know.

One the 16th, come see a great comedy show. We tried to get him a bit ago but he was booked up. Now appearing on our stage.

We are requesting donations to repair our parking lot. Trickie as offered us a great price because we're veterans but it's still a significant sum of money. We will be sending a letter to all our members soon seeking help to fund these improvements.

All 2025 memberships expired December 31st. If you haven't yet, please renew now. The American Legion and your Post are only as strong as its members. Please come to our meeting, you, the members are the ultimate governing body of this Post, Those who don't participate sit around wondering what's going on.

Sincerely,
Terrell D Lewis,
Post Commander.

SONS OF THE AMERICAN LEGION

A Big Thank you to Our April Omelet breakfast attendees and crew! Speaking of breakfast, we will be serving steaks for Mother's Day on May 10! Due to our breakfast being on May 10, we have moved our May Meeting up one week to Wednesday May 6 to make final preparations. Please join us at our meeting as it is election month and also to help us plan future events. Don't forget we are marching in the Memorial Day Parade on May 25, so please attend our meeting to help us commemorate and remember our military family members who are no longer with us. It's more than just a day off from work.

Please remember why you are a member, and who you are representing and honoring with your membership. Please email or call me if you have any questions, concerns, or suggestions. Better yet, Join us at our meeting!
